BURY CROQUET CLUB NEWSLETTER

ISSUE 4 Jan 2019

Our dear friend Margaret Yates

It is with great sadness that we have to inform you all that **MARGARET YATES** died suddenly on the 17th December 18. Margaret was a long standing member and has over the years served our Club in many capacities, including Treasurer. She loved the Club and always enjoyed playing Croquet and was a regular on our yearly trip to Cober Hill.

Margaret at Cober Hill 2018

Ooh La La - Boules comes to Bury WP

Following an idea from David B and the creation of a court by John G we now have a boules court at Whitehead Park!! Boules (or Petanque as it is sometimes called) is the game loved by the French, but played all over the world. Our court shown here is to full international size and will accommodate one game at each end. So, as a member of Bury Croquet Club you can play boules as well! -singles, doubles or triples. Rules can be seen in **Appendix 2**.

Whitehead Park

The work performed on WP is now completed and we are in preparation mode for the new season. The lawn can be used for practice but please only use the maked area opposite the pavilion at the Lonsdale Road side of the lawns. Hoop holes are circled in yellow with bisque sticks as temporary markers. It is the length of a short lawn but a little slimmer. Please use carrotless hoops.

Many thanks to John (WP) & David L (CP) for all their excellent work in 2018.

Bowling in Bury 7th Jan

Great night enjoyed by all. Thanks to Barbara Young for arranging. Alan Driver stole Lynne Drivers limelight this year!! Could have been a quiet ride home!!

Christmas Party @ WP 12th Dec

Over 30 members attended on the night. It was a fabulous party and wonderful company. Mulled wine flowed (hic!), Games abounded and the decorations looked great.

Many thanks to all the organisers (prior, during and after).

Please sir can I have some more?

Keep your eye on that prize!

Beautiful and tasty cake generously baked and donated by Pat Carter. Many thanks Pat!

Our Barbara wins Edgbaston 21/22 July

The final results showed that there were 2 players on 4 wins out of 5 but on the tie-break of 'who beat who' Barbara was declared the winner and was presented with the Symons Cup for the **second year running** and also achieved a handicap reduction to 6.

Phil @ AC All England H/C Final 8/9 Sept

Phil Nuttall once again managed to win the NW regional finals at Fylde to earn a place for Bury at the CA Finals on 8/9 Sept at Wrest Park near Bedford.

Unfortunately he did not regain his title but came a respectable 3rd against tough opposition.

NEW MEMBERS

We have had a few new members this year and would like to express a big welcome to you all. We hope you are enjoying our club and are ready for the new season which starts 1st April (not joking!). Please consider joining a team. You might be daunted but you will soon realise how people want to help you (they have all been there!) and how much your knowledge and expertise will improve.

George & Matt wanted to join as well but sorry ladies, they are too rough!!

Richard L @ C level final Nottingham 22/23 Sept

Having had a great win in the qualifiers (photo) Richard put up a valliant fight to come fourth in the overall tournament.

KEEP YOUR SPEED LOW

At CP we had a complaint last year about the speed of some of our members leaving and entering the park. As you know this is a public place and more importantly a children's play area. Please ensure that you drive extremely slowly in the park. Signs will be erected shortly as a reminder.

Glossary for Understanding Teams and Competitions at Bury CC

Often its very confusing for new members (and some long standing ones) to keep track of teams and competitions (internal/external) that Bury CC enters each year. We have pulled together a chart which hopefully can explain some of the mystery and help you navigate through the fog. Have a look at the chart in **Appendix 3**.

Note: that A/C Short Lawn now has two teams: Crusaders & Vikings and Golf Level Play also now has two teams: Monarchs & Sovereigns.

Bury Croquet Club Pens for sale £2.50 each

Still have plenty in stock - good for Birthday and Christmas pressies. See Phil Nuttall. We have made £130 so far for the club!

**Bury WP hosted 'NW Fed Club Matters' Seminar 12 Jan by David Gunn National Development Officer from the CA.**

David presented a concept to help croquet clubs analyse their current situation & provided on-line tools to help move the club forward to where it wants to be in the future. It is a piece of software by SPORTS ENGLAND called CLUB MATTERS. It leads the club through questions and guides towards realistic answers and goals. Once goals set, these can be formulated into a plan to help drive the club forward. Attendees found it very interesting and an internal follow-up meeting will be held on 28th Jan to start the process.

One outcome of the process will be to produce a survey to check with members that the direction we are going is the correct one!!

**Setting Up Lawns At Whitehead Park**

John G has kindly drawn up a diagram to help you set up the lawns. The diagram is in **Appendix 1** and you will find the colour coding reproduced along the outside boundaries of the lawns. This diagram is also on the notice board at WP.

IDEAS! Get the grey matter going

As ever we ask members to think of ideas to help generate funds for the club. Please don't be shy and put any ideas you have forward. We will leave a suggestions box at WP.

Simple Rules on how to play Petanque(Pay-tonk) or Boules (Boolz)

The Place to Play

Petanque is also known as Boules and is played outdoors on any reasonably firm surface: your yard, the park, a field, a gravel parking lot, cinder running track, etc. Hard surfaces like concrete or asphalt or very soft like a fine sand beach or long grass are not recommended. The ideal surface is hard packed earth with coarse sand or pea gravel approximately 1/8" - 1/4" deep covering the surface. Find a place that is open and fairly flat. If there are a few bumps and hollows that's fine and can even add more challenge to the game.

Choose Teams

Divide up into two teams. You can play Singles with one player on each side, Doubles with two players on each side, or Triples with three players on each side. For leisure play a good way to choose teams is for one person to take a boule from each player and throw them out all at the same time. The owners of the boules that lie closest to the thrower make up the first team.

Select Boules

Both teams select their boules. Each team's boules should have Groove Patterns that distinguish them from the other side's boules: that way, they will be easy to identify when counting up points. When playing Singles or Doubles, each player uses three boules and for Triples each player uses two.

Decide Who Goes First

Toss a coin to see which side goes first.

Toss the Jack

The team that wins the coin toss chooses the starting location and then selects one of their players to throw out the jack. The starting location is indicated by a circle that is 14 to 20 inches in diameter and at least three feet from any obstacles. The circle can be drawn with chalk, etched in the dirt with a stick, or made from a piece of rope whatever works. Once the circle is drawn, the player then stands with both feet inside the circle and throws the jack. The jack can be thrown in any direction but must land within 20 to 30 feet of the starting circle and three feet from any obstacle.

Throw the Boules

All boules must be thrown from within the starting circle and with both feet on the ground. The player attempts to throw the boule so that it lands as close to the jack as possible it is okay to hit the jack. The player must remain inside the circle until the boule has landed. A player from the opposing team then steps into the circle and attempts to land his boule closer to the jack even if it means knocking his opponents out of the way. The boule closest to the jack leads or is said to be "holding the point." The other team must continue throwing boules until they take the lead or run out of boules. There is no order that team members must follow when throwing their boules however, they must only throw their own boules, and they must go one at a time from within the starting circle. If they take the lead, the other team then tries to recover by landing a lead boule.

Winning the Round

Once a team has used all its boules, the other side is allowed to throw the rest of its boules. When all boules are thrown, the points are counted. The team that has the boule closest to the jack wins the round. In addition, they also receive a point for each boule that is closer to the jack than their opponent's closest boule. Only one team scores points during a round.

Beginning a New Round

Once the points are counted, the next round begins with previous round's winners drawing a new starting circle. This starting circle is drawn around the final position of the jack in the previous round. The winning team then selects a player to toss out the jack from this new starting circle and then throw out the first boule.

Winning the Game

The first team to earn a total of 13 points wins the game. There is not a required number of rounds that must be played.
