

THE SP6 AEROTECH MALLET
Inspired by Aerospace technology

Excellent for both A/C & Golf croquet
The No 1 Best Seller in the Range

£220

MALLET SPECIFICATIONS

'High Tech' croquet mallets each fitted with the exclusive POWERFLEX shaft which can assist players achieve increased shot distance.

Each mallet head is machined from a solid piece of extremely strong and durable composite.

SP6 'AEROTECH' MALLET is a superbly balanced mallet which is available with either an 11" or 10" Head Length with differing Weights including a 'Lightweight model'. The 'wing holes' lead to end weighting which helps reduce mallet twist and improve accuracy as well as helping avoid deviation from crosswinds.

All mallets are fitted with Black foam handle grips as standard with HEIGHTS of 34" 36" 38" and anything lower. (Heights up to 41" available)

NEW MODEL

DB3 'HYBRID' MALLET - Offering the best of both worlds with its HIGH VISION SIGHT LINES and beautifully rounded top which then flow into a conventional square-flat base. Head (10") 260 x 50 x 60 mm. Weight approx 2lbs 12oz £198

DB 3 'HYBRID' MALLET

NEW

SP1 CLASSIC - SP4 CLASSIC

THE 'CLASSIC RANGE'

This excellent well proven range of mallets are ideal for both AC and GC Croquet. The shorter 9 1/2" Head length follows traditional designs that now benefit from being made in ultra modern composite materials. £170 Black
