

BURY CROQUET CLUB KEEPING CONNECTED issue 2

Here's Alan Driver finally starting our garden makeover with new decking!
IMPRESSED ALAN!!

Helena & Phil Peeved

'Lovely view' from our living room window courtesy of our 'lovely (not) neighbours'. Not even so much as a sorry from them!! Its been there a month now and they can't see it from their house!!
Picces of Phil mowing the council verges. He even mowed neatly around the skip just to make a point!!! The grass underneath will be well dead. Not that we are bitter! 😞

Somebody had a birthday on Good Friday and wasn't letting on!!
ROY!!!! Really sweet because he is self-isolating and is on his own, some of the family with grandchildren came and sat in his front garden with placards for granddad!! Ahhh sweet. 😊
Did you take a piccie Roy?

News from Elaine Bretherton

I haven't got a picture or anything worth publishing mainly as I don't know how to do the picture! will have to ask the family. I have bought a croquet set though but then realised we had carved the lawn up since the last time we played on it - shame I haven't been taught the rules for one ball.

Made some apple pies and cakes for the Charity Day that has been cancelled and have now run out of castor sugar and flour! That only leaves me making cards for myself and some for sales if needed in the future.

We managed to set up a "card school" between myself and my family(who live round the corner from me). We successfully played Don last Sunday once we had sorted out my SKYPE (I couldn't hear them but could see them), it turned out Colin's (son-in-law) laptop was faulty and if the angle of the top was in a certain position it cut off the sound!

Not a lot else to say so stay safe and roll on the end of LOCKDOWN!!

Elaine

Interesting how you managed to deal out the cards over Skype!!! Helena x

Bernard, Simon and Phil N spent time at WP on Friday (at a social distance of course!) trying to water the lawn. Not too successful as the hose pipes not playing!! Friday night's downpour was a godsend.

Message from Bernard:
Pictures at WP this morning (Saturday 11th).
I thought members may want to see the forbidden land!
Bx

David Leach reports that he and Richard are keeping an eye on CP - "Richard and I go down to CP every Wednesday afternoon to mow the lawn and run the water to stop legionella disease. Ken and Margaret Anderton will be mowing on Wednesday 15th."
Great work guys keep it up we are all so grateful!!
