

BURY CROQUET CLUB KEEPING CONNECTED issue 5

Ken and Margaret A are making hats for the NHS to a pattern supplied by our daughter in law. On looking round the house we found we had quite a number of sheets, pillowcases and duvet covers surplus to requirements so they are steadily becoming hats. Ken does the cutting out and Margaret does the sewing. They are a bit fiddly to do but we have completed 12 up to now and have more cut out.

David Leach sent these piccies of Coronation Park

- 1) Coronation Park with Hoops after mowing.
- 2) Yellow playing hoop 9. **Question** how does yellow play to stop black running the hoop. (I think there are two ways. Anybody got more?)
- 3) Hoop 9 from the opposite view.

Richard's Joke

I met my wife on a recent speed-dating evening. I was a bit surprised because I thought she was at home looking after the kids. 😊
