Hi Helena, we have just finished the jigsaw, and Janet last night finished the 'rag rug' part of the cushion cover. Now have to wait to get rest of materials to finish it.

**Also from Jean H**

Hello everyone  
Thank you to all who sent back answers for Lockdown quiz no. 3.  
This week there were 4 completely correct answer sheets. These were from Derek and Hilary, Carol H, David and Elinor and Margaret and Ken A. Well done all of you. 6 others only got 1 answer wrong.  
Janet drew the winner out of a bowl ( sorry, no hat to hand!) and that was Derek and Hilary again.  
Congratulations.

I hope you all enjoy doing the 'Rain' quiz.

Another of Lynne G's walks around Cleckheaton - what are they staring at? You did get dressed didn't you Lynne? 😊

**Richard's Observations**

Whisky  
'Happiness is having a rare steak, a bottle of whisky, and a dog to eat the steak.'  
(Johnny Carson - but I don't know who he was)

'Too much of anything is bad, but too much good whisky is barely enough'  
(Mark Twain - know who he was)  
and traffic (there isn't any) except in India!

A news... a true story. Somebody was driving to her father to deliver some rock cakes. A police officer pulled her over to ask for her reason for travel during the lockdown. She explained that she was taking the cakes to her terminally ill father. The police officer looked at the cakes and said "yes, they should do it."

**From Francois:**

Have enclosed a new video for you. The other seemed to go down well as I have had a few thank yous.

Also have enclosed some pics Miss Millie is my little kitten whom has helped me survive thru lock down, She is a Bengal and a bundle of mischief. The second is a yellow flower that seeded in my garden and I wondered if anyone might know what is was? The third is a bit of my garden. It is not very big but all allowed to grow naturally and without any chemicals. Mainly herbs and the like.

Enjoy the video (Link to Francois video 2 on News page <http://burycroquet.com/news.html> )
