

BURY CROQUET CLUB

PRESS RELEASE

Bury Club member appointed to Croquet Association Executive Board

Chris Alvey from Bury Croquet Club has been appointed the Board Member with responsibility for the Croquet Performance and Selection portfolio by The Croquet Association.

Playing his croquet in the North West, Chris is a member of Bury Croquet Club and captains their Caesars weekend handicap team. He is a Grade 1 Association coach and helps his club's Golf croquet players make the conversion to Association Croquet.

In conjunction with this new role Chris has also been co-opted onto the working group: Referee Training and Certification

A

Chris Alvey has specialised in the Audio-visual industry since 2000. Working in the Technology Innovation Centre in Birmingham running the AV team and progressing to lecturing in the North West covering both audio and visual mediums. He is still involved in the audio industry as a freelance sound engineer whilst working full time as a Senior Referral Administrator in Dental Referral Management. With GDPR and safeguarding training, Chris provides online webinars for support and teaching purposes using Zoom as well as dial-in technical support.

The Croquet Association have now appointed a new Executive Board under the Chairmanship of Beatrice McGlen who is well known to many in the North West. The Executive Board is responsible for day to day running of croquet in accordance with the strategy established by Croquet Association Council. It is comprised of a Chairman and six volunteer Board Members, supported by the Hon Secretary, Hon Treasurer, CA Manager and Council Chairman.
